#### Description

DisposaCone: Safe for the job-site, emergency, and the environment.

The latest in reflective barricade solutions. Highly functional, 18-inch tall temporary barricade that is safe for the job-site, maintenance, emergency, or public events. **DisposaCone** is made of renewable resources with two small adhesive strips on the base that stick to asphalt, concrete, glass, metal, etc. **DisposaCone** withstands up to 4 days of wind and rain. Use with balloons or banner tape. When finished, please recycle with other paper goods.
